Dear Minister,

I, the undersigned, request the immediate availability of the Eucharist and the Sacraments for the faithful of the Roman Catholic Church in the United Kingdom, with the following precautions introduced in our churches:

- The continuation of widespread streaming of Holy Mass and other services for the benefit of elderly, vulnerable and high-risk people;
- A decrease in the number of persons allowed inside the church during the Holy Mass implemented by the parishes through internal distancing, enforced by physical measures such as removal or inaccessibility of pews, or any other means recommended by the Church authorities;
- The controlled ingress and egress of the faithful to manage the flow before and after services;
- Consideration of the following liturgical alterations during the Holy Mass: limiting the Sanctuary as clergy-only area; suspension of the sign of peace, offertory processions, homily, bidding prayers; and re-arrangement of the Holy Communion after the Holy Mass;
- The observation of silence, with responses made on behalf of the congregation by one person only.

Clearly, the above alternative satisfies all conditions of health protection and I call upon you to implement such a system.

Yours sincerely,
